When a band can cover songs from the Scorpions, Duran Duran, Van Halen, ZZ Top, Rick Springfield, Journey and Bob Seger and knock them **ALL** out of the ball park within the same hour or two, it makes for one happy group of fans.

[Time Out #1](#) had a nice crowd going on last Saturday night and 80 PROOF's performance took us all back in time as we sang many of the 1980's rock hits with them.

"My favorite memory is jumping around my room with my mom's broom pretending I was Ace Frehley from Kiss. I always got in trouble because when I put the broom back I had worn away half of the straw."

Rudy Star (guitar, vocals)

The same "let loose" mentality was evident from [80 PROOF](#) as their energy level was high and they made engaging the audience a priority. It was really a fun show and they sang so many favorites!

80 PROOF has been performing together since 2007. In fact, they were nominated for the "Best Cover Band In Houston" in the 2008 [Houston Press](#) music awards. 80 PROOF covers the best hit music from the 80's (with a little 70's and 90's thrown in for good measure) and is booked regularly for club venues, weddings, private parties, corporate events and whatever else they may be up to.
